July 10, 2019

Dear Parent/Guardian:

Tonto Basin School District will be enforcing our policy for negative meal balances starting July 22, 2019. Students that qualify for reduced meals will not be allowed to charge more than **thirty dollars** in meals, per family, in the school cafeteria. Students that are full pay for meals will not be allowed to charge more than **sixty dollars** in meals, per family. After their account reaches the dollar amount, they will **not** be served a hot entrée, the students will be provided with cereal, toast, juice, milk and fruit as an alternate breakfast and students will receive a peanut butter and jelly sandwich, mozzarella cheese stick, fruit, vegetable and milk as an alternate lunch.

You will be notified of a negative balance in the following ways:

1. Balance notifications will be sent home with your student on Tuesday.
2. When they have charged **twenty** dollars (reduced) or **fifty** dollars (full pay), parents will be contacted using texts, phone call, e-mails or a letter home.

*Calls, e-mails, and letters will only be sent to the #1 contact in your student's information. Please contact your student's school to update or add any information.

You can check your student's account balance by calling the cafeteria at 928-479-2277, Jeannie Cline, Cafeteria. Or balance notifications will be sent home, once a week, in a note.

You can now make online deposits to your students lunch account by setting up an account at venmo.com. Please go to your google play store or apple app store and download the app called Venmo. Sign up for a free account with Venmo and search for our school by searching for the names and email; jcline@tontobasinschool.org or **Jeannie Cline**. You will see a wrangler logo as the picture. You may pay with a debit card or bank account number and routing number only. We are not able to accept credit cards at this time. Please contact the Food Service Director @ 928-970-0002 if you have questions.

Payment options are:

- Online at venmo.com
- Cash or check payments can be made to your student's school lunchroom.

Thank you,

Jeannie Cline
